## EZ FASCIA AND EZ FASCIA AR

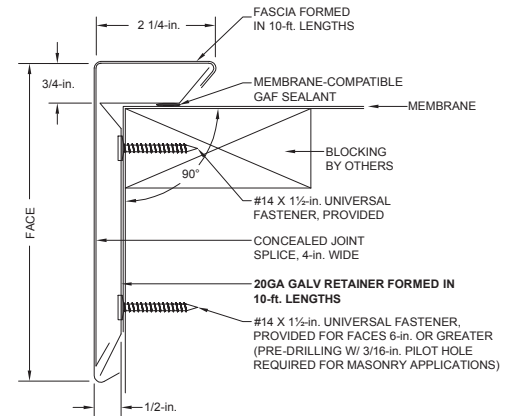

### Description

FM and ES-1 tested and approved two-piece high-performance cleat with snap-on cover to help reduce labor and enhance the roof system performance.

### Features and Benefits

- Tested per ANSI/SPRI/FM4435/ES-1
- Does not require membrane to be stripped-in, eliminating extra material and steps
- High-performance cleat with snap-on cover. Clamps single-ply membrane against building perimeter like a termination bar
- Allows use of high-torque screws (provided) without penetrating top surface of membrane
- Free floating allows for expansion and contraction in all weather conditions
- Optional formed .050 aluminum retainer available (EZ Fascia AR only)
- Available in sizes from 3.75"-13"

### Factory-Fabricated Corners & Accessories

Folded GAF Edge Corners and Accessories come premanufactured and ready to install for a clean finished look with no additional field labor.

- Consult [RoofNav.com](http://RoofNav.com) for specific assemblies
